

## Announcements:

*Pastor Ed* says it is the doctor's job to worry about the cancer, and it is his job to do what they tell him to do. He is doing that well! He will need a bone marrow transplant when his body is ready. After the transplant, he will be in University Hospital for 3 months. Because he will not be able to work, a fundraiser is being planned for the family. Please keep November 14th open on your calendar, and continue to keep him and his family in your prayers as they journey together with the Lord on this path to healing.
